Sobrassada

Chorizo

Flag with 4 red stripes

«Rojigualda»

See more...

Mallorcan

Rei en Jaume

NOT Mallorcan

Felipe VI de Borbón

Foners

Toreros

A little more information...

Mallorca and the Catalan Countries lost their independence in the War of Succession (1701-1715). Since then, Spain has tried to eliminate the Catalan language and has applied a discriminatory taxation system to us unparalleled throughout Europe: 14.20% of our GDP goes to Madrid and does not return (data from the Spanish Ministry of Economy). Thank you for your attention!
